PUSHING THE LIMITS

The word 'LIMITS' is rendered in large, 3D block letters. The letters are white with black outlines and some are cracked. The 'L' and 'I' are standing upright, while the 'M', 'I', and 'T' are partially broken and lying on the ground. The 'S' is also broken and lying on the ground. There are several smaller pieces of broken letters scattered around the base of the main letters.
