Based on the children's novel by Dave Barry and Ridley Pearson, *Peter and the Starcatcher* is a prequel to the beloved story of Peter Pan.

In the play, a young orphan and his mates are shipped off from Victorian England to a distant island ruled by the evil King Zarboff. They know nothing of the mysterious trunk in the captain's cabin, which contains a precious, otherworldly cargo. At sea, the boys are discovered by a precocious girl named Molly, a Starcatcher-in-training who realizes that the trunk's precious cargo is starstuff, a celestial substance so powerful that it must never fall into the wrong hands. When the ship is taken over by pirates - led by the fearsome Black Stache, a villain determined to claim the trunk and its treasure for his own - the journey quickly becomes a thrilling adventure.
